

# Can One Person Make a Difference?

Yes! One person can absolutely make a difference. In these unprecedented times, where individuals are on edge and we are witnessing alarming increases in suicide, divorce, and depression, the significance of Church Unlimited's mission becomes increasingly urgent. In 2023, we have witnessed the salvation of 29,330 individuals as part of our "One Million Souls to Christ Initiative," and there is still more work to be done.

That's where you come in. You are not alone in sensing the prevailing evil in our world. Rest assured, Church Unlimited is dedicated to be a Beacon of TRUTH and HOPE, locally and globally, in these dark times. Together, we have the power to cultivate a Christ-centered culture that stands in stark contrast to the world's standards. Will you join us?
